EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John D. Magluyan on 9 May 2006.

Please amend the claims as follows:

- in claims 17 and 18, change "processing device, comprising means adapted to implement" to -- processing device adapted to implement --.
- cancel claims 22 and 24.
- in line 1 of claim 29, change "A digital image indexing method" to -- An image search method --.
- in line 1 of claim 30, change "An image indexing method" to -- An image search method --.

[Claims 17 and 18 have been reworded so that the claims do not improperly recite a single means for implementing the claimed methods. Claims 22 and 24 have been cancelled because they are substantial duplicates of claims 21 and 23, respectively. Claims 29 and 30 have been amended so that their preambles are consistent with claim 13.]

Examiner adopts the reasons for allowance provided by the Applicant in the response dated 20 March 2006.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
